Option 2: Traditional Total post-closing assets must meet the sum of the below: <ul style="list-style-type: none"> • 100% of the loan amount • Reserves required per program • 60 months of total debt service (do not include subject property's PITIA or PITIA on rented properties with documented rental income) • 60 months of net rental losses on rental properties (do not include subject property's PITIA) *Rental Calculation (Option 2 only) Rental properties are counted on a net basis based on 75% of lease less PITIA to determine impact on debt service. Net rent can never exceed \$0 for determining impact.
