The undersigned hereby attests that he/she made a reasonable, good faith inquiry concerning the current and prospective income, existing debts and other obligations, and other relevant information of the Borrower(s). The undersigned made his/her best efforts to recommend and/or originate a residential mortgage loan that considers the information submitted by the Borrower(s) to the undersigned.

In connection therewith, the undersigned interviewed and counseled the Borrower(s) on his/her/their ability to repay the mortgage loan and did not recommend and/or induce the Borrower(s) into entering in a transaction that does not have a reasonable, tangible net benefit to the Borrower(s), considering all of the circumstances, including the terms of the loan, the cost of the loan, and the circumstances of the Borrower(s).

Accordingly, the undersigned understands the financial status of the Borrower(s) and recommended the appropriate products.

While the Uniform Residential Loan Application, Form 1003, may not completely document the Borrower(s)' income and assets, the undersigned counseled the Borrower(s) in good faith and all relevant information was considered and the Borrower(s) selected the product that is appropriate for his/her/their circumstances and were approved for said product, which may or may not require documentation of income or assets.
